Nick Stone has always kept his job as ex-SAS trouble shooter at arms' length from his home life. But when his son falls dangerously ill and the doctor who saves him comes under threat from an old adversary, it is no longer possible. Life just got very personal. To stop his cover being terminally blown, he must follow a trail that begins in Triad-controlled Hong Kong. He is propelled back into the brutal world he thought he'd left behind. The forces ranged against him have guns, helicopters, private armies and a terrified population in their vice-like grip. Nick Stone

Flashing back to 1993 and under deep cover, Nick Stone and a special surveillance team have spent weeks in the jungles and city streets of Colombia on a mission to locate the boss of the world's most murderous drugs cartel - and terminate him with extreme prejudice. Now they can strike. But to get close enough to fire the fatal shot, Nick must reveal his face. It's a risk he's willing to take - since only the man who is about to die will see him. Or so he thinks... Back in 2012, Nick is in Moscow; semi-retired; semi-married to Anna; very much the devoted father of

To stop his cover being terminally blown, he must follow a trail that begins in Triad-controlled Hong Kong and propels him back into the even more brutal world he thought he'd left behind. The forces ranged against him have guns, helicopters, private armies and a terrified population in their vice-like grip. Nick has two decades of operational skills that may no longer be deniable – and a fierce desire to protect a woman and a child who now mean more to him than life itself.

Three tons of Saddam Hussein's gold in an unguarded warehouse in Dubai... for two of Nick Stone's closest ex-SAS comrades, it was to have been the perfect, victimless crime. But when they're double-crossed and the robbery goes devastatingly wrong, only Stone can identify his friends' killer and track him down. As one harrowing piece of the complex and sinister jigsaw slots into another, Stone's quest for vengeance becomes a journey to the heart of a chilling conspiracy, to which he and the beautiful Russian investigative journalist with whom he has become

Ex-deniable operator Nick Stone has spent a lifetime in harm's way – but when someone he cares for very deeply is murdered in cold blood, he can no longer just take the pain. A high-level internecine conflict at the dark heart of the resurgent Russian Empire and an assassin's bullet on an isolated Alpine pass propel him from an apparently run-of-the-mill close-protection task into his most brutal and challenging mission yet. As the body count increases, Stone becomes one of Europe's Most Wanted. He must evade the elite police forces of three nations in his pursuit of faceless men who trade in human

15 misery, and a lone wolf terrorist who threatens to unleash the Western World's worst nightmare. Vengeance of the most explosive kind is top of Stone's agenda. The fuse has been ignited - but who really holds the detonator?

A cargo ship is apprehended by the authorities off the coast of Spain, packed with enough arms and ammunition to start a war. Twenty years later, an unknown aggressor seems intent on taking out those responsible for the treachery - one by one. The last victim was brutally tortured with a Black & Decker drill and then shot through the head at point-blank range. And Nick Stone - ex-SAS, tough, resourceful, ruthless, highly trained - is next on the

killer's list. He has only two options – fight or flight – but which do you choose when you don't know who you are up against?

When the beautiful 20-year-old daughter of a Moldovan businessman goes missing from her university, British Intelligence are unusually interested in her safe return. They will do anything in their power to track her down. Only one man is skilled and ruthless enough for the job. But for the first time in his life, ex-SAS deniable operator Nick Stone doesn't want to play ball... Zero Hour is Book 13 in the bestselling series by Nick Stone.

Andy McNab's best selling series returns with Cold Blood. Following the death of his wife and child - the two people he cared for most - Nick finds himself desperate for a chance to escape his own misery. Thousands of miles away five ex-servicemen, badly wounded in Afghanistan, are preparing for a trek to the North Pole in an attempt to begin to rebuild their shattered bodies and minds. When Stone is summoned as close protection for the trek by an old SAS officer, he accepts unthinkingly, desperate for the

15 chance to escape his own misery. They meet at the world's most northerly airport, where the locals are as hard as nails and the polar bear threat makes it against the law not to carry a gun. But it doesn't take long for Stone and his team to discover that neither the bears nor the locals are the most dangerous predators in this part of the world. It is quickly clear to Stone that the coldest war of all is just beginning...

An enlightening and entertaining look at how to use your inner psychopath to get the most out of LIFE. What is a good psychopath? And how can thinking like one help you to be the best that you can be? Professor Kevin Dutton has spent a lifetime studying

15 psychopaths. He first met SAS hero Andy McNab during a research project. What he found surprised him. McNab is a diagnosed psychopath but he is a GOOD PSYCHOPATH. Unlike a BAD PSYCHOPATH, he is able to dial up or down qualities such as ruthlessness, fearlessness, conscience and empathy to get the very best out of himself -- and others -- in a wide range of situations. Drawing on the combination of Andy McNab's wild and various experiences and Professor Kevin Dutton's expertise in analysing them, together they have explored the ways in which a good psychopath thinks differently and what that could mean for you. What do you really want from life, and how can
