A companion piece to Kent Nerburn's book Simple Truths, Small Graces is a journey into the sacred moments that illuminate our everyday lives. Through the exploration of simple acts, he reminds us to chart a course each day that nourishes the soul, honors the body, and engages the mind. By inviting us to recognize the hidden power of the ordinary, Small Graces reveals the mystical alchemy of the mundane made profound by the artistry of a well-lived life.

Seldom does a book come along that speaks to the core issues of life with such clarity and wisdom. This profound book is deeply informed by the spiritual traditions of the West, the Far East, and the Native Americans, with whom the author has worked. It is a small treasure of wisdom about life's deepest issues. From the Book . . . ON EDUCATION & LEARNING The true measure of your education is not what you know, but how you share what you know with others. ON MONEY People who measure their money against their desires will never be happy, because there will always be another desire waiting to lure them. People who measure their money against their needs can gain control over their lives by gaining control over their needs. ON LOVE Love has its own time, its own season, and its own reasons for coming and going. You cannot bribe it or coerce it or reason it into staying. If it chooses to leave

your heart or the heart of your lover, there is nothing you can do and nothing you should do. Be glad that it came to live for a moment in your life. If you keep your heart open, it will surely come again.

We all need advice growing up and facing the big stuff life gives us. We all need the voice of a parent or a good friend who has lived through joy and suffering and has thought deeply about it. Kent Nerburn is an extraordinary writer who can be that voice when we are lost and in need of guidance. *Letters to My Son*, written for his son, Nick, but true for all of us, shows us that life isn't always shared in all its richness with those we meet along the way. Kent shares with us what he believes, and makes us look at the hard questions, but never offers easy answers. Like a wise and gentle friend, he guides us to the truths that emerge when you approach life openly and honestly.

When Kent Nerburn received a letter from Jennifer, a young woman questioning her calling to spend her life in the arts, the writer and artist was struck by how closely her questions mirrored the doubts and yearnings of his own youth. Nerburn resolved that he would write his own letter: a letter of welcome and encouragement to all young artists setting out on the same strange and magical journey, sharing the wisdom of a life spent working in the arts. From struggles with money and the bitterness of rejection, to spiritual questions of inspiration and authenticity, *Dancing With the Gods* offers insight, solace and courage to help young artists on the winding road to artistic fulfilment. Tender and joyous, it is a celebration of art's power to transform the darkest of human experience and give voice to the grandest of human hopes.

Kent Nerburn's *Make Me an Instrument of Your Peace*, immerses us in the spirit of one of the most universally inspiring figures in history: St. Francis of Assisi. The Prayer of St. Francis boldly but gently challenges us to resist the forces of evil and negativity with the spirit of goodwill and generosity. And Nerburn shows, in his wonderfully personal and humble way, how we each can live out the prayer's prescription for living in our everyday and less-than-saintly lives. "Where there is hatred, let me sow love...Where there is injury, let me sow pardon..." Expanding upon each line of the St. Francis Prayer, Nerburn shares touching, inspiring stories from his own experience and that of others and reveals how each of us can make a difference for good in ordinary ways without being heroes or saints. Struggling to help a young son comfort his best friend when his mother dies, moved by the courage of war enemies who reconcile, being wrenched out of self-absorbed depression by responding to someone else's tragedy, taking a spirited old lady on a farewell taxi ride through her town-these are the kinds of everyday moments in which Nerburn finds we can live out the spirit of St. Francis. By incorporating the power and grace of these few lines of practical idealism into our thoughts and deeds, we can begin to ease our own suffering-and the suffering of those with whom we share our lives. And, remarkably, find a way to true peace and happiness by tapping into our basic human goodness. As we open our hearts and embrace his words, St. Francis "touches our deepest humanity and ignites the spark of our divinity." Lord, make me an instrument of thy peace. Where there is hatred let me sow love, Where there is injury let me sow pardon, Where there is doubt, faith, Where there is despair, hope, Where there is darkness, light, And where there is sadness, joy... In this beautifully written book, Kent Nerburn leads us into the heart of the St. Francis Prayer and line by line demonstrates how St. Francis's words can resonate in our lives today.

The creative life is not easy. From the outside it can seem romantic and exciting, but in fact it is a unique journey filled with doubts and dreams and complex challenges that most people never imagine. From the obvious issues of making a living and dealing with rejection, to more rarified questions like how to know when a work is finished and the delicate balance between inspiration and craft, the creative artist – whether writer, painter, actor, or dancer – lives in a world of profound questions and subtle choices. *The Artist's Journey* takes you into this world with an emotional honesty that few books offer. At once practical and spiritual, it is a rare exploration of the inner landscape of the artistic experience and an essential guidebook to the artist's journey, for creative artists in all fields, whether young or old,

accomplished or just beginning.

Describes the role of community in the author's life, from her experiences on the campaign trail with her husband, presidential candidate John Edwards, to the 1996 death of their teenage son and her battle with breast cancer.

1996 Minnesota Book Award winner — A Native American book The heart of the Native American experience: In this 1996 Minnesota Book Award winner, Kent Nerburn draws the reader deep into the world of an Indian elder known only as Dan. It's a world of Indian towns, white roadside cafes, and abandoned roads that swirl with the memories of the Ghost Dance and Sitting Bull. Readers meet vivid characters like Jumbo, a 400-pound mechanic, and Annie, an 80-year-old Lakota woman living in a log cabin. Threading through the book is the story of two men struggling to find a common voice. Neither Wolf nor Dog takes readers to the heart of the Native American experience. As the story unfolds, Dan speaks eloquently on the difference between land and property, the power of silence, and the selling of sacred ceremonies. This edition features a new introduction by the author, Kent Nerburn. "This is a sobering, humbling, cleansing, loving book, one that every American should read." — Yoga Journal If you enjoyed Empire of the Summer Moon, Heart Berries, or You Don't Have to Say You Love Me, you'll love owning and reading Neither Wolf nor Dog by Kent Nerburn.

There is a hidden meaning, a hidden beauty, in life's most ordinary moments. It is the beauty of the human heart revealed, where what we have in common is greater than what keeps us apart. If we can learn to see the beauty in these moments, whether they are in the light or in the shadow, we become witnesses to the spiritual, testimonies to the sacred. We become true artists of the ordinary, and our life becomes a masterpiece, painted in the colors of the heart. A chance encounter with a boy on a bicycle, a young girl's graduation from eighth grade; these and other small moments are the subjects of this beautifully written collection. In elegant prose, Kent Nerburn uncovers the wonder hidden just beneath the surface of every-day life, offering poignant glimpses into the grace of ordinary days. Whether he's describing a kite's dance on the winds above the high New Mexico desert, a funeral on an isolated Indian reservation, or a dinnertime conversation with family and friends, Kent Nerburn is among a handful of writers capable of moving so gently over such deep waters. Ordinary Sacred reveals the hidden beauty waiting to be discovered in each and every life.

How can individuals live a life of forgiveness in a world so full of injustice and indifference? This haunting question spurred author Kent Nerburn to write *Calm Surrender*. As he recounts the experiences of people who have suffered much and asked for little, he takes readers on a moving journey, urging them to remember that "forgiveness cannot be a disengaged, pastel emotion."
